# WARNING NOTICE

Dear Resident,

The Abington Township Police Department has responded to a call for service about the discharging of fireworks at your residence.

In an effort to keep everyone safe, we would like to take this opportunity to remind you of the fireworks restrictions within the new law. Fireworks cannot be:

1. Ignited or discharged on a public or private property without express permission of the property owner.
2. Discharged from or within a motor vehicle or building.
3. Discharged toward a motor vehicle or building.
4. Discharged within 150 feet of an occupied structure (*this applies to almost all the neighborhoods in Abington*).
5. Discharged while the person is under the influence of a controlled substance.

The purpose of these restrictions is to help protect you, your family, your friends and neighbors, from possible injury or property damage.

Any violation of the above restrictions is illegal under **Title 72, Section 2414 (1) and is punishable by a \$100 fine, plus court costs**. Additional violations found to have occurred at your home will result in a citation.

Thank you for your cooperation!
