Edward Quinn, Deputy Chief

ROADWAY: 1800 Block Keith Rd.

SPEED SURVEY

NOVEMBER 2023

INITIAL COMPLAINT: The Traffic Safety Unit conducted this survey based on a complaint from a resident.

DESCRIPTION OF AREA: The 1200 block of Fair Acres Rd. is a two lane roadway posted at 25 MPH. It intersects Bockius Ave. to the east and Old York Rd. to the west. It is located in the Abington section of Abington Township. There are residential homes on the north and south sides of the street.

INFORMATION GATHERING METHOD: Speed survey was conducted with a RADAR TRAFFIC COUNTER. The counter is attached to a pole and uses radar to record traffic volume and speed data. Crash data was obtained from the closest two intersections (Bockius Ave. east and Old York Rd. to the west) for the past 5 years. There were no reported crashes at either intersection related to speed over the past 5 year period.

FACTORS: The speed of the vehicles using this section of Keith Rd. showed that 1% of the traffic met the criteria for enforcement. The 85th percentile speed for this section of Keith Rd. was 27.9 MPH. 1936 vehicles were monitored in this survey.

ANALYSIS: At this time, speeding does not seem to be an issue on this section of Keith Rd. The average speed was 23 MPH. Based on the analysis, the roadway appears to be appropriately posted.

RECOMMENDATIONS: A speed cart/ sign will be put on the block (when available) to make motorists more aware of their speed.

Officer Al Freed, Traffic Safety Manager
